OPERATIONAL POLICIES

Drop-Off & Pick-Up

Drop off time for Imagination Station is between the hours of 7:15 am and 9:30 am. Children are not to be brought in after 9:30 am due to the confusion it causes in the classrooms.

Our number one concern is the safety of your children. Please assist us by turning off your vehicles when dropping off and picking up children. Also, please help us keep the gate closed at the playground entrance.

We close the center at 5:30 pm daily. Please be at the center early to gather your child's personal items and to sign them out.

Release of Children

Children will be released to parents/guardians or a person designated by the parent. School age children 5 and up, may be picked up, with written permission from a parent, by an underage child.

Custody Situations

Imagination Station does not get involved in custody disputes and will follow a court order exactly as written. If you have a court order on file, please provide us with the most recent copy. State law states that in the absence of a court order, both parents have equal rights. If a custody issue creates a risk for our facility or staff, Imagination Station has the right to terminate care.

Sign-In & Sign-Out

Parents/guardians are required to sign their children in and out when the child enters and exits Imagination Station.

Absences

Please notify the director as early as possible if your child will be absent from childcare, either all day, after school or preschool. This is very important because we must account for every child we care for.

Text Alert System

If we are unaware of why a pupil is not at Imagination Station by 9:30 drop off or on the bus after school, we will notify you via text message from (940) 886-8377.

Rest Period

All children will have a supervised rest period. Children may bring a small blanket and travel size pillow to sleep on. Please take these items home each Friday to launder.

Safe Sleep for Infants 12 Months and Younger

All staff, substitute staff, and volunteers at Imagination Station will follow these safe sleep recommendations of the American Academy of Pediatrics (AAP) and the Consumer Product Safety Commission (CPSC) for infants to reduce the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death Syndrome (SIDS/SUIDS):

- ❖ Always put infants to sleep on their backs unless you provide Form 3019, *Infant Sleep Exception/Health Care Professional Recommendation*, signed by the infant's health care professional [§746.2427 and §747.2327].
- ❖ Place infants on a firm mattress, with a tight fitting sheet, in a crib that meets the CPSC federal requirements for full size cribs and for non-full size cribs [§746.2409 and §747.2309].
- ❖ For infants who are younger than 12 months of age, cribs should be bare except for a tight fitting sheet and a mattress cover or protector. Items that should not be placed in a crib include: soft or loose bedding, such as blankets, quilts, or comforters; pillows; stuffed toys/animals; soft objects; bumper pads; liners; or sleep positioning devices [§746.2415(b) and §747.2315(b)]. Also, infants must not have their heads, faces, or cribs covered at any time by items such as blankets, linens, or clothing [§746.2429 and §747.2329].

- ❖ Do not use sleep positioning devices, such as wedges or infant positioners. The AAP has found no evidence that these devices are safe. Their use may increase the risk of suffocation [§746.2415(b) and §747.2315(b)].
- ❖ Ensure that sleeping areas are ventilated and at a temperature that is comfortable for a lightly clothed adult [§746.3407(10) and §747.3203(10)].
- ❖ If an infant needs extra warmth, use sleep clothing such as pajamas or sleep sacks, as an alternative to blankets [§746.2415(b) and §747.2315(b)].
- ❖ Place only one infant in a crib to sleep [§746.2405 and §747.2305].
- ❖ Infants may use a pacifier during sleep. But the pacifier must *not be attached* to a stuffed animal [§746.2415(b) and §747.2315(b)] or the infant's clothing by a string, cord, or other attaching mechanism that might be a suffocation or strangulation risk [§746.2401(6) and §747.2315(b)].
- ❖ If the infant falls asleep in a restrictive device other than a crib (such as a bouncy chair or swing, or arrives to care asleep in a car seat), move the infant to a crib immediately, unless you provide Form 3019, *Infant Sleep Exception/Health Care Professional Recommendation*, signed by the infant's health care professional [§746.2426 and §747.2326].
- ❖ Our child care program is smoke-free. Smoking is not allowed in Texas child care operations (this includes e-cigarettes and any type of vaporizers) [§746.3703(d) and §747.3503(d)].
- ❖ Actively observe sleeping infants by sight and sound [§746.2403 and §747.2303].
- ❖ If an infant is able to roll back and forth from front to back, place the infant on the infant's back for sleep and allow the infant to assume a preferred sleep position [§746.2427 and §747.2327].
- ❖ Awake infants will have supervised "tummy time" several times daily. This will help them strengthen their muscles and develop normally [§746.2427 and §747.2327].
- ❖ Do not swaddle an infant for sleep or rest unless you provide Form 3019, *Infant Sleep Exception/Health Care Professional Recommendation*, signed by the infant's health care professional [§746.2428 and §747.2328].

Toys

Please do not send toys (including electronics), to school with your children.

Screen Time

Screen time is limited to ages 2 and up. Screen time is not allowed during breakfast, lunch, or snack.

Our daily menu includes; breakfast, lunch, and a healthy afternoon snack. All liquids and foods hotter than 110 degrees F are kept out of children's reach. The meals provided meet federal and state guidelines, established by the Department of Agriculture. No meals may be brought from home. Our students are young and it causes conflict and confusion.

If you desire to bring a cup or pacifier for your child, it must be marked with your child's name. Cups must be set in the kitchen on arrival and pacifiers must be kept in the child's bag or given to teacher to be used at appropriate times.

Children enjoy celebrating special events and we appreciate parents assisting with birthdays and holiday parties. Please make arrangements with your child's teacher in advance to bring only "store bought" treats.

Breastfeeding

Human milk is the best source of milk for infants. Imagination Station supports nursing mothers and promotes breastfeeding.

- ❖ Breastfeeding mothers shall be provided a place to breastfeed or express their milk. This area will have an electrical outlet, comfortable chair, nearby access to running water, and "Breastfeeding Basics for Mom and Dad", in English and Spanish versions.

Photography

Imagination Station may, from time to time, photograph your child unless otherwise specified. Parents may photograph children during classroom parties/special events. A form is attached to the enrollment packet and should be filled out to specify your wishes. If you do not want your child photographed, you may want to remove them from special events.

You may also be contacted via our "Text Alert System", (940)886-8377. If we lose power for an extended period during normal hours of operation you will be contacted to pick up your child. Full tuition is due during inclement weather closings.

Discipline and Guidance

Discipline must be:

- ❖ Individualized and consistent for each child;
- ❖ Appropriate to the child's level of understanding; and
- ❖ Directed toward teaching the child acceptable behavior and self-control

A caregiver may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:

- ❖ Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
- ❖ Reminding a child of behavior expectations daily by using clear, positive statements;
- ❖ Redirecting behavior using positive statements; and
- ❖ Using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.

There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- ❖ Corporal punishment or threats of corporal punishment;
- ❖ Punishment associated with food, naps, or toilet training;
- ❖ Pinching, shaking, or biting a child;

- ❖ Hitting a child with a hand or instrument;
- ❖ Putting anything in or on a child's mouth;
- ❖ Humiliating, ridiculing, rejecting, or yelling at a child;
- ❖ Subjecting a child to harsh, abusive, or profane language;
- ❖ Placing a child in a locked or dark room, bathroom, or closet with the door closed or open; and
- ❖ Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

If a child's behavior endangers himself or another child, the incident will be documented and addressed with the parent. If the behavior is consistent it could lead to suspension or termination of care.

Biting & Hitting

Biting and hitting are common behaviors for toddlers and preschoolers. Some children and many toddlers communicate through this behavior. However, biting and hitting can be harmful to other children and to staff. This policy has been developed with both of these ideas in mind. Our goal is to help identify what is causing the incident and resolve these issues. The names of the children are not shared with the other parent.

When Biting, Hitting, or Uncontrollable Behavior Occur

For the child bitten or hit:

- ❖ First aid is given to the any injury. If bitten, it is cleaned with soap and water. If the skin is broken, the wound is covered with a bandage.
- ❖ The child will be prompted to tell the child that bit or hit, "Biting/Hitting hurts!"
- ❖ A Boo-boo report is filled out and a copy is given to the parent.

For the child that bit, hit or acted inappropriately:

- ❖ The child will be told the behavior is inappropriate, the teacher will guide the to use more appropriate ways to communicate.
- ❖ The teacher will tell the child, "No! Biting/Hitting hurts!"
- ❖ The child will be prompted to say sorry, when applicable.
- ❖ The child will be redirected or placed in an age appropriate time out.

The teacher will document unacceptable behavior:

- ❖ Place
- ❖ Circumstance
- ❖ Time of day

Parents/Guardian and teacher/Director communication are on-going daily, to keep you informed of your child's progress. A Student Discipline Form may be used to document an incident, which can help to determine the best plan of action to prevent a future occurrence.

The teacher and staff will:

- ❖ Shadow the child to help prevent any further incidents.
- ❖ Observe the child to try and determine what is causing the child's behavior.
- ❖ Work with the parent/guardian to solve the issue as soon as possible.

If a child bites 3 times within two weeks the parents will be called to pick the child up and the child will be suspended for the rest of a day and one additional day. If the child continues to bite and the issue cannot be resolved, the parents will be asked to make other day care arrangements.

Disciplinary/suspension for hitting or unacceptable behavior will be decided on an individual basis determined by the circumstances of the incidents.

Strategies for Aggressive or Uncontrollable Behavior

Help children understand their emotions by using words or signs that identify and describe emotions. A child who uses words or signs to communicate is less likely to use aggressive behavior out of frustration.

Take biting or hitting seriously. Use a tone of voice and facial expression that conveys pain. "Ouch, that hurts," helps young children to differentiate between a person and an object that can't feel pain. Handle bad behavior in a firm but gentle way. Give praise, smiles, and hugs for good behavior.

Right to Dismiss

Your child can be dismissed from Imagination Station if he/she becomes a danger to himself/herself, endangers the safety of the other children in the school, or becomes uncontrollable.

EDUCATION PROCEDURES & POLICIES

Curriculum

Our preschool curriculum, “Frog Street,” accommodates infants, toddlers, and pre-k students and is generated in both English and Spanish. The early learning guidelines incorporated into the lesson plans include physical, social, emotional, language, and cognitive development. The program promotes developmental age-appropriate concepts and hands-on activities making learning exciting and fun.

We use CLI Engage Developmental Checklist to inform instruction and tailor our Frog Street Curriculum.

Indoor and Outdoor Physical Activity

Physical activity is met through daily indoor and outdoor play. Both indoor and outdoor physical activity promote children’s growth, development, good health, and a sense of wellbeing.

A minimum of two daily opportunities for outdoor play are scheduled, in which a child makes use of both small and large muscles. An infant birth through 12 months of age may engage in outdoor play for an amount of time as tolerated by the infant, and infants 13 months through 17 months of age, toddlers, or pre-kindergarten age children for a minimum of 60 total minutes daily. During inclement weather, an indoor activity, such as exercise/dance class or a hallway recreation period will be substituted.

Outdoor activity space includes covered shaded area, playground equipment, sidewalks, and grassy area with trees. Indoor activity space includes classrooms, hallway, and cafeteria.

Examples of Indoor and Outdoor Activities for infants, toddlers, and pre-kindergarten age children, according to age and development: tummy time, exercise, dance, sliding, riding on toys, pushing toys, bouncing balls, games, crawling, hopping, skipping, walking, running, jumping, art/craft, and center-time play.

During inclement weather, an indoor activity, such as exercise class or a hallway recreation period will be substituted.

Parent Involvement

Communication is an important component of our child care center. Checkout “What We Did Today,” posted at each of our preschool classrooms. Watch for center announcements posted above the sign-in and sign-out sheets.

Parent/Guardian Conferences

Two preschool teacher/parent conferences will be planned each year as an opportunity to discuss your child’s progress with their teacher. A Children’s Learning Institute developmental checklist will be used to track your child’s developmental milestones.

Parent/Guardian Concerns

Dear Parent/Guardian:

This letter is intended for parents or guardians of children enrolled in a child care center. Imagination Station offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Meal Benefit Income Eligibility Form. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

1. Do I need to fill out a Meal Benefit Form for each of my children in day care? You may complete and submit one CACFP Meal Benefit Income Eligibility Form for all children enrolled in child care in your household **only** if the children in child care are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. **Return the completed form to: Imagination Station Child Care Center, 700 S Main Street, Electra, Texas 76360.**

2. Who can get free meals without providing income information? Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) can get free meals. Foster children (reference question #8 for more information on foster children) and children enrolled in a Head Start Program (HSP), Early Head Start Program (EHSP), or Even Start Program (ESP) and have not entered kindergarten) are also eligible for free meals. Households with children enrolled in a HSP, EHSP or ESP can provide a certification letter from the program of the child's enrollment and do not need to complete the CACFP Meal Benefit Income Eligibility Form.

3. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Income Chart, sent with this application. Children in households participating in WIC may be eligible for reduced price meals.

4. May I fill out a form if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.

5. Who should I include as members of my household? You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.

6. How do I report income information and changes in employment status? The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the center will receive a higher level of reimbursement. Once properly approved for free or reduced price benefits, whether through income or by providing a current SNAP, TANF, FDPIR case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.

7. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.

8. What if I have foster children? Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Meal Benefit Form, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children can provide the Texas Department of Family and Protective Services Form 2085FC, *Placement Authorization Foster Care/Residential Care*, to their child's caregiver and do not need to complete the CACFP Meal Benefit Income Eligibility Form.

9. We are in the military, do we include our housing and supplemental allowances as income? If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.

10. (Pricing program only) Will the information I give be verified? Maybe. We may ask you to send written proof to verify the information you submitted on the form. **What if I disagree with the decision about the information I complete on this form?** You can talk to **Elizabeth Jones**, either in person or by telephone at **(940)495-3646**. You may ask for a hearing by calling or writing to: **Elizabeth Jones, 700 S Main, Electra, Texas 76360**.

Estimado Padre/Tutor:

Esta carta está dirigida a todos los padres o tutores de niños que están inscritos en centros de cuidado infantil. Imagination Station ofrece comidas saludables para todos los niños inscritos como parte de nuestra participación en el Programa de Atención Alimenticia para Niños y Adultos (CACFP, por sus siglas en inglés) del Departamento de Agricultura de Estados Unidos (USDA, por sus siglas en inglés).

El CACFP ofrece reembolsos por comidas y meriendas saludables que se les sirven a los niños inscritos en centros de cuidado de niños. Por favor, ayúdenos a cumplir con los requisitos del CACFP llenando el Formulario de Calificación por Ingresos para el Beneficio de Comidas que está adjunto a esta carta. Además, al llenar este formulario, podremos determinar si su hijo(s) califica para recibir comidas gratis o a un precio reducido.

1. ¿Debo llenar un Formulario de Calificación para el Beneficio de Comidas por cada hijo que esté en un centro de cuidado diario? Podría ser que tenga que completar y presentar un Formulario de Calificación por Ingresos para el Beneficio de Comidas del CACFP para todos los niños de su hogar que están inscritos para recibir cuidado diario, pero sólo si están inscritos en el mismo centro. No podemos aprobar un formulario que no esté completo, por eso, debe asegurarse de leer las instrucciones con cuidado y llenar toda la información que se solicita. **Devuelva el formulario ya llenado a: Imagination Station Child Care Center, 700 S Main, Electra, Texas 76360, (940)495-3646**

2. ¿Quién puede recibir comidas gratis sin tener que entregar información sobre ingresos? Pueden recibir comidas gratis los niños en hogares inscritos en el Programa de Asistencia de Nutrición Suplementaria (SNAP) (anteriormente “Estampillas para comida”), Asistencia Temporal para Familias Necesitadas (TANF), o el Programa de Distribución de Alimentos en Reservaciones Indígenas (FDPIR). Los niños en familias de crianza (consulte la pregunta N° 8 si desea más información sobre niños de crianza) y los niños inscritos en el Programa “Head Start” (HSP), el Programa “Early Head Start” (EHSP), o el Programa Even Start ESP) y que aún no han comenzado el jardín infantil, también califican para recibir comidas gratis. Los hogares que tienen niños inscritos en un HSP, EHSP, o ESP, pueden entregar una carta de certificación del programa de que el niño está inscrito, y así no necesitan llenar un Formulario de Calificación por Ingresos para el Beneficio de Comidas del CACFP.

3. ¿Quién puede recibir comidas a precios reducidos? Los niños pueden recibir comidas a precios reducidos si los ingresos de su hogar están dentro de los límites de precios reducidos de la Tabla de Ingresos que se envió junto con esta solicitud. Los niños en hogares que participan en WIC podrían calificar para recibir comidas a precio reducido.

4. ¿Puedo llenar el formulario si en mi hogar hay una persona que no es ciudadano estadounidense? Sí. Ni usted ni sus hijos tienen que ser ciudadanos estadounidenses para calificar para el beneficio de comidas del centro.

5. ¿A quiénes debería incluir como miembros de mi hogar? Debe incluir a todos los miembros de su hogar (es decir, los abuelos, otros parientes, o amigos que viven con usted) que comparten los ingresos y los gastos. Debe incluirse usted mismo y a todos los niños que viven con usted. También puede incluir a los niños de crianza que viven con usted.

6. ¿Cómo entrego la información sobre mis ingresos y notifico los cambios en mi situación laboral? Su informe de ingresos debe presentar los ingresos totales brutos recibidos el último mes por cada miembro del hogar indicando la fuente. Si su informe de ingresos del último mes no refleja con exactitud su situación, puede presentar una proyección de sus ingresos mensuales. Si no ha tenido cambios importantes, puede usar los ingresos del mes pasado como base para preparar esa proyección. Si los ingresos de su hogar son iguales o inferiores a los montos indicados para el tamaño de su hogar en la Tabla de Ingresos adjunta, el centro recibirá un mayor nivel de reembolsos. Una vez que tenga la aprobación para recibir beneficios gratis o a precios reducidos, ya sea mediante ingresos o presentando un número de caso vigente del SNAP, TANF, o FDPIR, usted seguirá calificando para recibir esos beneficios por 12 meses. Sin embargo, deberá notificarnos si usted o alguien de su hogar queda desempleado y la pérdida de ingresos hace que los ingresos de su hogar queden dentro de los parámetros para calificar.

7. ¿Qué puedo hacer si mis ingresos no siempre son iguales? Indique el monto que percibe normalmente. Por ejemplo, si sus ingresos mensuales generalmente son de \$1000, pero en el último mes no trabajó tanto y sólo recibió \$900, indique que recibe \$1000 mensuales. Si generalmente trabaja horas extras, debe incluir eso también, pero no lo incluya si es solamente a veces.

8. ¿Qué hago si tengo niños de crianza? Los niños de crianza que están bajo la responsabilidad legal de una agencia o un tribunal de crianza califican para recibir comidas gratis. Cualquier niño de crianza del hogar califica para recibir comidas gratis independientemente de los ingresos del hogar. Los hogares pueden incluir a niños de crianza en el Formulario de Beneficios de Comidas, pero no están obligados a incluir los pagos recibidos para el niño de crianza como ingresos. Los hogares que deseen solicitar esos beneficios para los niños de crianza pueden entregar al cuidador del niño el Formulario 2085FC *Autorización de Colocación en Crianza / Cuidado Residencial* del Departamento de Servicios para la Familia y de Protección de Texas, y así no tendrán que llenar el Formulario de Calificación por Ingresos para el Beneficio de Comidas del CACFP.

9. Pertenece al ejército, ¿debemos incluir nuestras pensiones de vivienda y suplementaria como ingresos? Si su vivienda forma parte de la Iniciativa de Privatización de Viviendas del Ejército, y además recibe Un Beneficio Suplementario de Subsistencia Familiar, no incluya esas pensiones como ingresos. Además, con relación a miembros del ejército en zonas de combate, sólo se contará como ingresos del hogar la parte de los ingresos del miembro del ejército que hayan sido designados por él o a nombre suyo para que vayan al hogar. Los sueldos por combate, incluyendo el Pago de Incentivos de Extensión de Servicio (DEIP) también quedan excluidos y no se contarán como ingresos del hogar. Todas las demás pensiones se deben incluir en sus ingresos brutos.

10. (Únicamente para el programa de precios) ¿Se verificará la información que yo presente? Quizás. Quizás le pidamos que envíe prueba escrita para verificar la información que presentó en el formulario. **¿Qué pasa si no estoy de acuerdo con la decisión que se tome sobre la información que yo coloque en este formulario?** Puede comunicarse con [ingrese el nombre de la persona que está a cargo de manejar las quejas/desacuerdos], ya sea en persona o mediante el siguiente número de teléfono: [ingrese el número de teléfono del empleado ya mencionado]. Puede solicitar una audiencia llamando o escribiendo a: **Elizabeth Jones, 700 S Main Street, Electra, Texas 76360.**
